

LG BioCapital

Favicon sample sheet - options to review with Lene and Maja

01 Plum LG

High contrast monogram with the lime accent line.

02 Light LG

Clean white tab icon with a fine lime frame.

03 Bio Script

Softer editorial option focused on the bio word.

04 Capital Mark

Abstract capital mark, more symbolic and minimal.

05 Lime Dot

LG monogram with a small biotech-style lime signal.

Note: the full wordmark is intentionally not used because favicons need to stay readable at very small sizes.
